The kennels are under the direct supervision of the owner and are situated on an estate of 280 acres in the Santa Clara Valley, just twenty-five miles from San Francisco. The conditions for raising toys, here are obviously ideal, and the dogs can ge for their two-mile daily scamper without going outside their own domain.

The Pekes outnumber the other toys. Of these the undereated Champion Huhi is the eldest. He is by Shi Li, an imported grandson of Champion Goodwood Lo and Glanbrane Boxer, by Champion Ki of Downshire, by the noted Champion Tsang of Downshire by Wingerworth Hoatung.

Champion Huhi's show career was phenomenal, as he won more than 150 prizes and specials, competing with champions of all breeds. Huhi is a massive dog of the larger type, with great breadth and flatness of skull and muzzle, large eyes and enormous tawny

His young grandson, Champion Sher-wood Su Wang, bred in these kennels by Sherwood Sim Tei and Champion Ah Moy of Downshire, is following in his footsteps. He is the sixth champion in four generations. Su Wang is a beautiful Peke, weighing less than nine nounds, and possessing a charming head and expression. He has a flat-kull, massive fore face, deep stop, hage dark eyes and a jet black mask.

Sherwood Wing is a beautiful tricolor by Wongti of Alderbourne and hollywood Fatims, imported through Mrs. Raymond Mallock. Wing has not been shown a great deal, but has already won thirteen champion points. Yuan Shi Kai of Braywick, by Toto of Noke and Hamara, is a recent addition to the kennels. He was bred by Mrs. Cummings and was one of the winning litter in a class of seventeen at the Pekingses Club's third show under Mrs. Seuly Clark.

Peter of Braywick, by Lamprey Midget, is also a recent acquisition. He is a typical biscuit dog, with a splendid head, absolutely flat face, big dark eyes and lion-shaped body.

Among the matrons, Champion Ming of Downshire, by Pekin Poin, is a sensational little winner, bringing 125 cups and prizes home with her from her recent expeditions. Ming is a charming young lady, with an enormous cost of a brilliant red, shading to palegold in the featherings.

Champion Sherwood Nan Nui, by Wongti of Alderbourne, is a litter sister of Sherwood Wong, and the first staticles and prizes the featherings.

Theodore Offerman, owner of some of the finest Airedale terriers in America, said: "I think the present law a very good thing, for it will make people more careful of their dogs in the future. Of course, anything which is so distasteful cannot long remain in force, but it is just what the careless ones needed—a little jolt. A dog should be on a leash when he is in the street and a large dog should be muzzled if there is any danger of his attacking persons when he is at large. Surely a muzzle is never necessary on a dog which is leashed, and on toy dogs it is ridiculous."
